The manufacturer's warranty does not apply to the following cases:

- 1 Malfunction of the tool resulting from the natural wear and tear of the product, its components, machines, mechanical components and accessories, such as: electric cables, blades, transmission belts, filters, carbon brushes, fixing devices and supports;
- 2 Damage caused by violation of the rules of operation or storage or maintenance of the equipment specified in the user manual;
- 3 Damage caused by the improper use of tools (improper use);
- 4 Damage resulting from overheating, overload, mechanical stress, penetration of precipitations, liquids, insects or non-residual substances in the tool body that accompany its use for its intended purpose (chips, sawdust);
- 5 Damage caused due to the non-conformity of the power supply network parameters with the requirements for the power supply network indicated on the tool;
- 6 Damage caused by cleaning tools with chemically aggressive liquids;
- 7 Tools that have been repaired or serviced outside of an authorized Kress service center;
- 8 The tool has been misused, abused, neglected, altered, modified or repaired by anyone other than an authorized service center;
- 9 Repairs made with spare parts, replacement parts or additional components that are not provided by Kress, as well as for damage resulting from the use of non-original spare parts.

For guarantee claims, please contact your local dealer who you buy your product from. You will need to submit proof of purchase in the form of a valid receipt that displays date and place of purchase.

This warranty statement is not a substitute for, but is in addition to, your legal rights.

This warranty applies only to the original purchaser and cannot be transferred.

All repairs and replacement tools will be covered by the limited warranty for the balance of the warranty period from the date of original purchase.
